Museum Center

Food, Beverage and Additional Accessibility Amenities

5.26.2023

Allergies

- CMC is NOT a nut free facility because guests are allowed to bring their own food.
- However, all four of CMC's onsite dining options are peanut free and have nutritional & allergy information on hand.

Ordering & Seating

- All seating can be manipulated as needed.
- Our free-standing kiosk to self order in the Losantiville Cafe is at a wheelchair-compatible height.

Wheelchairs & Strollers

- Available to rent
- New wheelchairs, including electric scooters!
- New strollers, including double strollers, too!

Elevators

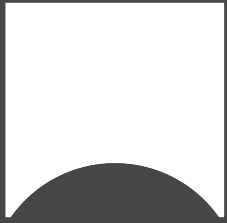

- There are now TWO elevators from the Concourse Level to the Lower Level:
 - **Express Elevator** – only stops on Concourse and Lower Level
 - **East Elevator** – stops on Concourse, Mezzanine A, Mezzanine B and Lower Level
- Due to the stairs and escalators, Ruthven, Mallory and Fountain Galleries and the Classrooms can only be accessed by wheelchair and stroller users via the East Elevator.

CPR Kiosk

- Located on the Lower Level, across from Beansprouts Café, this is a CPR training kiosk for guests to learn from and practice on.
